THINKBIGACADEMICS BIZ SERVICES TEMPLATE

Ken BIG Blake

BLAKE INVESTMENT GROUP - BIG LLC

This simple document is used to Help you with forming the services your business will provide.

We recommend one to three services with each service having smaller systems that enhance the primary goal it wants to achieve.

We have provided an example page to give you an idea of how the services sheets should be filled out.

The last page is your vision synopsis. It is the thought of how the services will work in unison with your overall mission statement.

This information can also be used with pages on your website for the public or potential partners to have an idea of what your firm does.

We look forward to assisting you with your goals of entrepreneurship, growing a small business or maximizing your reach with an established entity.

If you have found this information to be helpful stop by my personal website and leave me a testimonial of how it worked for you.
