THINKBIGACADEMICS BUSINESS PLAN TEMPLATE

Ken BIG Blake

BLAKE INVESTMENT GROUP - BIG LLC

This simple document is used to help you with forming the business plan banks and sponsors will review pre-financing consideration.

We recommend keeping it short, to the point and following the simple step by step format for a quick and easy business plan.

All business plans have similar components and seem daunting for the novice business owner. We are providing links to help assist you with the areas we have received the most questions from.

There are **three points** that we will cover more in detail but once understood will seem simple. The four templates before this one helped a lot in getting you here as you will see.

1. **Executive Summary** – Taken from mission statement & services offered.
2. **Market Plan** – Review provided links to get an idea.
3. **Financial Plan** – We have created a template that covers this and provides a neat explainable summation.

A business plan can be a strategic manual reviewing most challenges you will be faced with before funding. (52weekBIZsuccess.com)

The first section of the template has a couple of business plan examples to review.
